

## SPEND THE YEAR IN SCRIPTURE

We get it. Sometimes making it through just one book of the Bible can seem intimidating, let alone the entire thing. And yet fostering a regular practice of spending time reading, studying, and meditating on God's Word is something worth every Christian's time. That's why we've chosen this plan.

**The One Story That Leads to Jesus** reading plan, created by The Bible Project, will guide us through the entire Bible in one year. Each day you'll read a few chapters as you make your way from Genesis to Revelation.

Every daily reading also includes a psalm for you to read and meditate on through quiet reflection and prayer. By the end of the year, you'll have read through this entire book of biblical poetry more than twice, as well as the entire Bible!

## READING THE BIBLE IS BETTER TOGETHER

We encourage everyone to read through the Bible with others! Having the ability to share insights and discuss each day's reading with other followers of Christ results in deeper understanding and greater impact.

Let us know you're reading with us by scanning the QR code on the back of this plan. Here you'll also find additional resources, study materials, videos, and more. Happy reading!
