

SPEND THE YEAR IN SCRIPTURE

Reading your Bible isn't just a habit—it's an invitation to know God more deeply. His Word brings clarity in confusion, strength in difficulty, and direction in every season of life. When we consistently spend time in Scripture, our faith grows roots that help us stand firm and walk confidently with Jesus.

This one-year reading plan is designed to help you build that rhythm. As you journey through the entire Bible, you'll discover God's heart, His promises, and His story of redemption from beginning to end. Let His Word shape you, guide you, and draw you closer to Him every day.

SPIRITUAL GROWTH RESOURCES

Alongside daily Bible reading, tools like devotionals, prayer journals, and Christian biographies can enrich your walk with God. Devotionals help you reflect on Scripture in a fresh way, prayer journals create space to process what God is teaching you, and biographies offer real-life examples of faith lived out with courage and conviction.

When you combine these practices with regular time in God's Word, you create a personal plan for spiritual growth that's both intentional and life-giving. These resources work together to deepen your understanding of Scripture, strengthen your relationship with Jesus, and encourage you to keep growing day by day.

You can find a list of resources for adults, kids, and students by scanning the code.
